Tribute to Abhinavagupta

Ode to Abhinavagupta

O, Master of millennium you reign supreme.
Aesthetics and spirituality echoed in rhyme
Aesthetics that Hegel, Croche spoke to the occident
O, sage you breated that first to the orient
"Raso vai sah", the rapture, the relish, the ecstasy
The joy, the bliss and the beatitude recalled peesie
Your offsprings Abhinavabharati' and Lochama to world
These legacies you left are still unconquered
Sitting in the bower of grapes, playing Veena with damsels
around
You muse on "Tantralok" in spirituality breaking new
grounds
O, Abhinavagupta, 9 salute you in all reverence
Your philosophy shall linger in our minds with all fragrance
